Standardization of level of support for Research Projects. (From July 2025)

The default (maximum) level of support under the various headings for any research project will be as follows: -

1. NBHM Research Projects will no longer support to JRFs/SRFs and RA. Pls are advised to seek support through CSIR NET.
2. Library Grant (including Journals): A Limit of 25K for all three years will be given.
3. Maximum support for computer is up to Rs. 1.5 Lakhs (Total). For Amount above Rs. 1.5 Lakhs. An explicit request with justification can be made in the proposal.
4. Travel support is up to Rs. 60K per year. The PI is free to utilize this amount for supporting the travel of their PhD students and postdocs.
5. Contingency: 15K (per year for the Principal Investigator a total of 45K).
6. Overheads: Research Programme Committee recommends the maximum rate of 10 per cent. However if host institute of PI insists for higher rates, they have to give proper documentary evidence to justify this claim.
7. Administrative assistance: NIL.
